**THE 2022 FLORIDA FILM FESTIVAL ANNOUNCES CALL FOR ENTRIES**

**Orlando, FL** – (August 16, 2021) – Entries are officially being accepted for the 31<sup>st</sup> Annual Florida Film Festival, taking place April 8-17, 2022, and sponsored by Full Sail University. Competition categories include short films (both narrative and animation), documentary films (both short and feature length), narrative features, and international films (both short and feature length). Awards are determined by a jury of film professionals and by audience ballot.

After thirty years of bringing cutting edge cinema to Central Florida, the Florida Film Festival is excited to announce the addition of Virtual Reality (VR) and New Media (Web) to the festival's official programming. The festival will showcase this content in the spring as part of an exclusive online program. "VR and New Media is such an exciting and innovative world, and we're really thrilled to bring our audience these works," said Tim Anderson, Programming Coordinator. "The pandemic has afforded us an opportunity to utilize online streaming services to expand our offerings, and we think it's a natural fit to showcase this broad range of new voices through the very medium that these projects were created for."

***"Now having attended several top festivals, I can confidently say Florida has THE best programming of all of them. THANK YOU for what you do and the care and thought you use to make your film fest what it is. Obviously, changed my life!"*** – Megan Seeley, Filmmaker

***"Thank you so much for such an excellent juror experience! It was a great week. The festival was so well programmed and everything was so organized, and people were so friendly. I am so glad that I was able to serve on the jury after all these years. It was worth the wait."*** – Cynthia Wade, Oscar-winning Filmmaker and Juror

***"I'm not blowing smoke! This was really a wonderful festival experience. I loved it and was impressed with all aspects of it. I especially love the energy or spirit with which everything was handled – I felt a genuine passion for film and filmmakers that, of course, should be at every festival, but unfortunately is not."*** – Alix Lambert, Filmmaker

***"The Florida Film Festival has become my favorite festival to attend. The staff is so friendly, personable, and truly enthusiastic about what they do. Their taste in film is the best. I can't get over how organized and knowledgeable the volunteers are. It's a laid back and well-oiled machine."*** – Brian Lonano, Filmmaker

***"[We] had a great time at the festival. We've been to a few festivals with the film, and Florida is one of our favorites!"*** – Academy Award® winner Ron Judkins, Filmmaker

***"Thank you, thank you, THANK YOU for having me down to the festival. What an absolute treat it was! It was a truly wonderful four days and I can say honestly that I don't think there was single clunker among the 16+ hours of films we screened. That's pretty impressive!"*** – Andrew Carlin, Juror (Oscilloscope)

***"I may be biased (considering the FFF was the first festival I've ever participated in) but I really think it might be the best festival ever. The energy is so great, the venue is fantastic, and I have such an appreciation for how organized and thoughtful you guys were. I came back to Beirut and said 'I need to make another film this year to go back next year.'"*** – Amanda Bailly, Filmmaker
